

EYE-Participants for Ent-Ex online conference workshop

Dear European Young Engineers network,

in collaboration with one of our cooperation partners the European Institute for Industrial Leadership (EIIL) we are looking for competent and motivated EYE-members to bring added value to one of their 4 ENT-EX workshops (2 participants per event) to the following dates:

Ent-Ex 2020:

- [Barcelona](#) 30 September - 2 October online
- [Milan](#) 14 - 16 October
- [Cologne](#) 28 - 30 October
- [The Hague](#) 4 - 6 November

Three days workshop: **Price for Young Professionals €275,- | Price for students €80**

WHAT IS ENT-EX?

It is a 3-day interactive workshop to help young people develop professional skills outside of university. Networking: young professionals and students working together with successful entrepreneurs to find out what skills have made them successful and how to develop them. Marketplace: You will have the opportunity to present yourself or your (business) ideas to other like-minded young people, as well as to companies & partners.

What can you expect from the workshop?

- Challenge yourself, improve, practise your skills and upgrade your CV
- Get coached and mentored by a coaching team and 4 entrepreneurs to help YOU
- Learning by doing method to develop effective networking or team working
- Work alongside young engineers

Why and How to apply for the workshop?

You're an ambitious young professional or student ready to launch your career?

Your background doesn't matter as long as you're willing to get involved and learn?

You want to make a difference and be Part of the Solution Not Part of the Problem into today's sustainability issues?

Then please **send us your CV** to externalrelations@eyengineers.eu

(It will be reviewed within a selection process and a jury of EIL will decide on the participation)

The Ent-Ex workshop is a great addition to your CV – and gives you access to the network of the European Institute for Industrial Leadership. Apply now!
